(c) Insurance claims under National Agricultural Insurance Scheme (NAIS) implemented at present, through General Insurance Corporation of India (GIC) are worked out on the basis of yield data received from the State Government. As per the seasonality discipline for Tamil Nadu, the yield data for insurable crops for the year 2002-2003 is expected to be received between 31st March and 31st July, 2003 and claims if any, will be known thereafter.

Burning of sugarcane crops

2370. SHRI K. RAHMAN KHAN: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware of the setting on ablaze the standing sugarcane crops by farmers in some parts of the country; if so, the reasons therefor; and

(b) what are the demands of the farmers and what steps are being taken to avert unhappy situation in the crushing season of the country?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) and (b) Yes, Sir. Farmers of western Uttar Pradesh set ablaze the standing sugarcane in very nominal area to protest against non-starting of crushing of sugarcane by sugar mills. As per the information received from the Department of Food and Public Distribution, Ministry of Consumer Affairs, Food and Public Distribution (who are the administrative Ministry for sugar industry) a large number of sugar mills have now started crushing. They have also established a buffer stock of 20 lakh tonnes of sugar to facilitate starting of crushing by mills.
